

COVID-19 Distancing Measures for Service & Supply

Policy last updated 2nd December 2020

We have decided that the best way to reduce the risk of spreading the virus over the Christmas period is to trade at the door by appointment.

Please support our efforts by making arrangements over the phone and keeping any communication at the door to a minimum.

Other than our personal services or home visits and face to face support in the shop, all other sales and repairs are available.

Phones will be answered Monday – Friday 9-5pm, Saturday 9-2pm.

We are able to offer collection and drop of times outside of these hours for anyone who cannot get to us during standard operational hours.
